## Welcome Message

On behalf of the Columbia Community Foundation, its Board of Directors, and this year's Honorary Chairpersons, welcome to this evening's *2011 Fall Gala*. Please enjoy what we expect to be an evening of excellent food, fun, entertainment, and interesting live and silent auction items to bid on.

Tonight is a night for celebrating and appreciating our great community of Columbia Township. It is a community rooted deep in history, faith, and tradition. It is also a community with an outstanding school system, beautiful parks, a modern library serving both our young and old, and a fire and rescue department whose members volunteer their time for the safety of our citizens. Our community also contains countless organizations that work for the betterment of our community.

The Columbia Community Foundation is an organization that works and reinvests for the betterment of the community. It is because of you, our individual and corporate sponsors, that the Columbia Community Foundation has been able to reinvest over \$34,300 back into the community since 2008 through the administration of and creation of scholarships and grants meeting various needs within our community. Your continued generosity and financial support is testament to the trust and faith you have placed with the Columbia Community Foundation's Board of Directors, and we sincerely thank you. Enjoy the evening!

Ronald B. Krisko, President
